

## Broomfield, Advent Window Trail

The concept is that during December there is an Advent Window Trail around Broomfield that anyone can walk around and enjoy. Some may choose to do it as December progresses, and others may prefer to wait until they're all open and follow the completed trail all in one go. We will have the Nativity Window in the Church lit up on Christmas Eve as the final stop. Each window will open at about 3pm then children going home from school will be able to see it. (Some of the displays will be in upstairs windows, so don't forget to look up!)
